

Spank: Pleasure Intensity Guide

Many people enjoy giving or receiving a good spank as a tease, as a warm-up to rougher play, and during intercourse. There's a whole world of spanking tools, from fur-lined paddles for soft play to spiked whips for intense play. Whether you simply like to mix pleasure with a bit of pain or you live the BDSM lifestyle, our pleasure intensity guide will help you find the right spanking tool to fit your needs.
